

END U.S. AID TO ISRAEL NOW

**SUPPORT HUMAN RIGHTS
SUPPORT EQUALITY
END ISRAEL'S IMPUNITY**

\$3 billion U.S. tax dollars go to Israel every year to buy weapons used to destroy homes, hospitals, families, and children playing soccer on beaches. Since July 7, Israel has killed more than 600 Palestinians, including more than 100 children.

We demand that our city and federal governments end their support of Israel's current massacre in Gaza and its ongoing occupation and colonization of Palestine.

WHAT YOU CAN DO:

- contact elected officials and tell them to stop cheering Israeli assaults on Palestinians and lift the siege on Gaza
- support the Palestinian call for Boycott,
